

Let's Move Kit!

Item #10233 V1

Get up and move with this Let's Move Kit. This kit features Stretchy Strings, a Dimpl™ Pops board, Playable Art Balls, and an Expressions Card Game. The first two manipulatives help busy hands to be productively active through relaxing and calming sensory components. The second two manipulatives create a sense of achievement, improving mental acuity and short-term memory. Kits are sold in their entirety; components are not available for individual sale.

Kit Components:

- Large vinyl bag with zipper and two sturdy cloth handles
- Paperback: Chair Yoga (ISBN: 9781648766862)
- Stretchy Strings – Allow busy hands to be productively active, by twisting and twirling these stretchy strings around your hands and fingers. Includes:
 - 2 Stretchy Strings
- Dimpl™ Pops – Push, poke, and pop again and again. This manipulative provides sensory therapy which can reduce anxiety, calm fidgety hands, and provide comfort. Includes:
 - 1 Dimpl™ Pop Board
- Playable Art Balls – Let your artistic abilities shine. Turn, twist, and scrunch these 20 interconnect wooden balls to create an array of formations. Includes:
 - 20 Colorful Interconnected Wooden Balls
- Expressions Card Game – This memory game is suitable for all cognitive abilities with two levels of play. Each card features a well-known phrase with a word missing. Through focus and mental stimulation, work on finishing the phrase.
 - 48 Cue Cards
