Arthur: the dog who crossed a jungle to find a home - Made into the movie **Arthur the King**. When you are racing 435 miles through the jungles and mountains of South America, the last thing you need is a stray dog tagging along. But that's exactly what happened to Mikael Lindnord, captain of a Swedish adventure racing team, when he threw a scruffy but dignified mongrel a meatball one afternoon.

11.22.63 - On November **22**, 1963, three shots rang out in Dallas, President Kennedy died, and the world changed. What if you could change it back? Jake Epping is a thirty-five-year-old high school English teacher in Lisbon Falls, Maine, who makes extra money teaching adults in the GED program. Jake's friend Al, who runs the local diner, divulges a secret: his storeroom is a portal to 1958.

It Ends with Us -When Lily feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life suddenly seems almost too good to be true. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan--her first love and a link to the past she left behind. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened.

Mudbound – Two families are caught up in the blind hatred of a small Southern town after the Second World War.

A Simple Favor- A single mother's life is turned upside down when her best friend vanishes in this chilling debut. It starts with a simple favor, an ordinary kindness mothers do for one another. When her best friend, Emily, asks Stephanie to pick up her son Nicky after school, she happily says yes. But Emily doesn't come back.

Foster – Made into the movie **The Quiet Girl**. It is a hot summer in rural Ireland. A child is taken by her father to live with relatives on a farm, not knowing when or if she will be brought home again. In the Kinsellas' house, she finds an affection and warmth she has not known and slowly, in their care, begins to blossom. But there is something unspoken in this new household—where everything is so well tended to—and this summer must soon come to an end.
